

The Edith M Ellis 1985 Charitable Trust

Mzuzu Young Voices organization

#H2TFB2D6HZ submitted on 4 December 2021

1.1 Please summarise what you are seeking from us

Mzuzu Young Voices Organization is seeking for additional funding to assist in its 2022 goal of planting and growing 50 thousand fruit trees in 2000 primary, secondary schools in Malawi. The project has got a part funding from Ubumbano Act of South Africa and part of the accelerator grant of \$5000 from African Union through Nepad.

It's scheduled to undertake all its tasks in February to April 2022.

1.2 Tell us more about your project, the impact it will have on those it aims to help, and why you consider the proposed approach to be innovative

Mzuzu Young Voices Organization it's both a charitable organization based in the northern region. It was formed to assist in the areas of climate change, youth entrepreneurship, empowerment of women and providing safe and portable water to the local communities.

The organization it's running a campaign of resource mobilization and would like to establish a massive afforestation in all primary and secondary schools in Malawi.

The project will involve working with the school Environmental clubs and plant and grow 50,000 fruit trees.

Needs assessment was conducted in 5 districts and the results showed that:

Most of the schools has the a large space of more than 1 hectare and the space is higher in rural area.

The schools also has an active Environmental club and a special teacher for agriculture and environment.

The assessment showed that there is high demand for fruits for the learners as one way of solving malnutrition and health problems at the same time creating an afforestation drive in local community by changing the mindset of the youths in local community.

IMPACT

Assist in afforestation

Assist malnutrition

Beautify the schools

Change the mindset of learners to start planting trees.
